- A cardiac rehabilitation program certified by American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR).

MAHHC is the only CARF  
accredited facility in Vermont

## The Rehabilitation Center at Mt. Ascutney Hospital and Health Center

For more than 30 years, Mt. Ascutney Hospital and Health Center has been widely recognized and respected for its comprehensive and compassionate rehabilitative care. Our inpatient and outpatient Rehabilitation and Physical Medicine Programs are the first choice of hospitals and health care providers throughout Vermont and central New Hampshire for their patients who need intensive or ongoing rehabilitation care. One of only two major acute rehabilitation programs in Vermont, we continually strive to offer the most advanced facilities and patient-centered services.

**MAH: 8,200** Scheduled  
8.5:1 Visits per Eval

**OHC: 1,500** Scheduled  
7.2:1 Visits per Eval

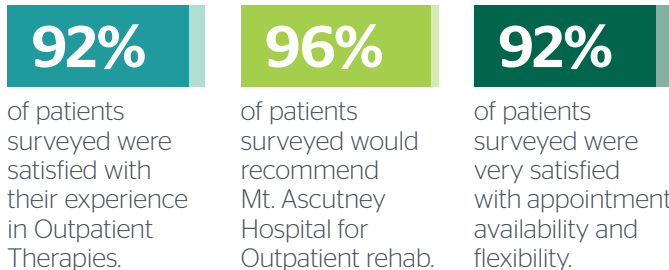

## AGES OF POPULATION SEEN

“My therapists were both understanding and encouraging. They clearly enjoyed their jobs and it motivated me to enjoy therapy as well. They pushed me but also listened to my needs. Therapy was definitely both psychologically and physically good for me; I came out stronger and more aware of my diagnosis and encouraged to keep pushing forward.”

## PATIENT SATISFACTION
