A small amount of your time will help people in our community who are older or vulnerable stay healthy and remain living independently in their homes. For more information, please consider calling us at (802) 674-5971.

Volunteers in Action

Volunteers in Action (ViA) is a community-based effort that has been bringing neighbors together to help each other for more than 25 years. ViA received start-up funds from the Robert Wood Johnson Foundation, but is now supported entirely by contributions from: Mt. Ascutney Hospital and Health Center, Senior Solutions, area towns, churches, businesses, grants, and individuals.

We continue to welcome new partners to support ViA, and we thank you for your consideration.
